

NorthShorePhysiciansGroup

Welcome!

I would like to take a moment and introduce you to North Shore Physicians Group (NSPG), the largest multi-specialty group north of Boston. NSPG is comprised of more than 200 physicians, nurse practitioners and other healthcare professionals in 17 convenient locations throughout the North Shore.

We are an integrated physicians group with North Shore Medical Center that is committed to meeting your healthcare needs by providing comprehensive medical and surgical specialties to the communities we serve. At the core of North Shore Physicians Group are the team of people that are comprised of highly skilled professionals that have dedicated their lives to patient safety by providing high quality, excellent, leading-edge treatment, while maintaining the compassion and personal touch that is vital to restoring or maintaining your good health.

We consistently strive to meet or exceed our patient's expectations and we encourage you to be an informed participant in your healthcare.

On behalf of our exceptional team, thank you for choosing North Shore Physicians Group.

Sincerely,

Steven E. Kapfhammer
President
North Shore Physicians Group
